LIMITED FUNGI, WET OR DRY ROT, OR BACTERIA

SECTION II – LIABILITY COVERAGE

FOR USE WITH ALL FORMS

SCHEDULE*

Section II – Coverage E Aggregate Sublimit Of Liability For "Fungi", Wet Or Dry Rot, Or Bacteria	\$50,000
--	----------

*Entries may be left blank if shown elsewhere in this policy for this coverage.

SECTION II – LIABILITY

Condition A. Limit Of Liability is replaced by the following:

A. Limit Of Liability

Our total liability under Coverage E for all damages resulting from any one "occurrence" will not be more than the Coverage E limit of liability shown in the Declarations. This limit is the same regardless of the number of "insureds", claims-made or persons injured. All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions will be considered to be the result of one "occurrence".

Our total liability under Coverage F for all medical expense payable for "bodily injury" to one person as the result of one accident will not be more than the Coverage F limit of liability shown in the Declarations.

However, our total liability under Coverage E for the total of all damages arising directly or indirectly, in whole or in part, out of the actual, alleged or threatened inhalation of, ingestion of, contact with, exposure to, existence of, or presence of any "fungi", wet or dry rot, or bacteria will not be more than the Section II – Coverage E Aggregate Sublimit of Liability shown in the Schedule for "Fungi", Wet Or Dry Rot, Or Bacteria. This is the most we will pay regardless of the:

1. Number of locations insured under the policy to which this endorsement is attached;

2. Number of persons injured;
3. Number of persons whose property is damaged;
4. Number of "insureds"; or
5. Number of "occurrences" or claims made.

This sublimit is within, but does not increase, the Coverage E limit of liability. It applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations.

With respect to damages arising out of "fungi", wet or dry rot, or bacteria described in A. Limit Of Liability of this endorsement, Condition B. Severability Of Insurance is deleted and replaced by the following:

B. Severability Of Insurance

This insurance applies separately to each "insured" except with respect to the Aggregate Sublimit of Liability described in this endorsement under Section II – Conditions, A. Limit Of Liability. This condition will not increase the limit of liability for this coverage.

All other provisions of the policy apply.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A. "Business", as defined in the policy, means:
 - 1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
 - 2. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in b. through d. below; and
 - (2) For which no "insured" receives more than \$2000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
 - B. If an "insured" regularly provides home day care services to a person or persons other than "Insureds" as their trade, profession or occupation, that service is a "business".
 - C. If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
 - 1. That an "insured" engages in for money or other compensation; and
 - 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;the home day care service and other activity will be considered a "business".

- D. With respect to C. above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
 - 1. Described in A.2. above, and
 - 2. Engaged in for money by a single "insured"; may be considered a "business" if the \$2000 threshold is exceeded.
- E. With respect to A. through D. above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this policy:
 - 1. Does not provide:
 - a. Section II coverages. This is because a "business" of an "insured" is excluded under E.2. of Section II – Exclusions;
 - b. Coverage, under Section I, for other structures from which any "business" is conducted; and
 - 2. Limits Section I coverage, under Coverage C – Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category h. (e. in Form HO 00 08) imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$600. This is because Category i. (f. in Form HO 00 08) imposes that limit on "business" property away from the "residence premises". Category i. does not apply to property described in Categories j. and k. (g. and h. respectively in Form HO 00 08).

U.S. TREASURY DEPARTMENT'S OFFICE OF FOREIGN ASSETS CONTROL ("OFAC") ADVISORY NOTICE TO POLICYHOLDERS

No coverage is provided by this Policyholder Notice nor can it be construed to replace any provisions of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided.

This Notice provides information concerning possible impact on your insurance coverage due to directives issued by OFAC. Please read this Notice carefully.

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous:

- Foreign agents;
- Front organizations;
- Terrorists;
- Terrorist organizations; and
- Narcotics traffickers;

as "Specially Designated Nationals and Blocked Persons". This list can be located on the United States Treasury's web site - <http://www.treas.gov/ofac>.

— In accordance with OFAC regulations, if it is determined that you or any other insured, or any person or entity claiming the benefits of this insurance has violated U.S. sanctions law or is a Specially Designated National and Blocked Person, as identified by OFAC, this insurance will be considered a blocked or frozen contract and all provisions of this insurance are immediately subject to OFAC. When an insurance policy is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. Other limitations on the premiums and payments also apply.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information *** About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out-of-pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 90%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$2,325 which is part of your total annual premium of \$1,612. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

* Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.

Checklist of Coverage

Policy Type: Homeowners

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

"Structural damage" means the "principal building", regardless of the date of its construction, has experienced the following:

- (1) Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement-related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- (2) Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement-related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- (3) Damage that results in listing, leaning, or buckling of the exterior load-bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through

- (4) the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- (5) Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- (6) Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

Contents coverage applies if there is a loss to the "principal building" resulting from a "catastrophic ground cover collapse" unless the loss is excluded elsewhere in the policy.

Damage consisting merely of the settling or cracking of a foundation, structure, or building does not constitute a loss resulting from a catastrophic ground cover collapse.

This peril does not increase the limit of liability that applies to the damaged property.

The Section I – Earth Movement Exclusion does not apply to this peril.

The Section I – Sinkhole Exclusion does not apply to this peril.

All other provisions of this policy apply.

1. The inside of a building; or
2. The property contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;

2. A hurricane occurrence:

 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the lesser of:

- a. The hurricane deductible stated in the Schedule; or
- b. An amount equal to 2% of the Limit of Liability that applies to Coverage A – Dwelling, in the policy when the Coverage A – Dwelling Limit of Liability is less than \$100,000.

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under Section I – Property Coverages shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.

b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.

c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:

- (1) Will take effect on the effective date of the renewal or replacement policy; and
- (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible.

5. We require that you promptly report any wind-storm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

- (1) Excavations, footings, foundations, piers, or any other structures or devices that support all or part of the building, which are below the undersurface of the lowest basement floor;
- (2) Those supports described in (1) above which are below the surface of the ground inside the foundation walls, if there is no basement; and

E. Appraisal

If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If a loss covered by this policy is also covered by:

4. If we pay the mortgagee for any loss and deny payment to you:
 - a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or

b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

5. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

M. Nuclear Hazard Clause

1. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
2. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.
3. This policy does not apply under Section I to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

N. Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.
